

ICITT 2020

PARIS, FRANCE | SEPTEMBER 20-22, 2020

ABOUT ICITT 2020

With the conception of smart city transmuting cities into digital societies, making the life of its citizens easy in every facet, intelligent transport system becomes the indispensable component among all. In order to provide a forum for researchers, practitioners, and professionals from both the industry and the academia to share their newest research findings and results in the related fields, 2020 4th International Conference on Intelligent Traffic and Transportation (ICITT 2020) will be held in Paris, France during September 20-22, 2020. The conference is organized by the Journal of Traffic and Logistics Engineering, and has been held since 2017 in Zurich, 2018 in Stockholm, and 2019 in Amsterdam. It also serves bring the people who are working in the filed of intelligent traffic and transportation together and creat chances for discussions and possible cooperation.
